

CERTIFICATE

OF CERTIK KYC

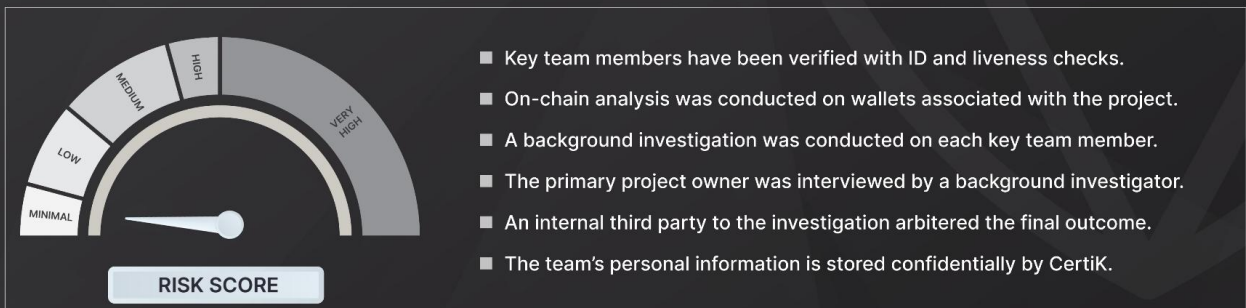

✓ KYC PASSED

PROUDLY PRESENTED TO:

FOUNDATION

4TH, JULY 2022

CertiK has performed an
CertiK has performed an investigation into the key members of the project.

Key Findings

- The team seems to be exclusively composed of marketing functions, with developers working on a product.
- Confirmed Foundation LLC registered in Texas on 23rd March 2022.

Important Notes

- Minimal: there were almost no flags throughout all elements of the investigation and any that were discovered were mitigated.
- Low: there may be a low quantity of minor flags and of those flags that were found most were mitigated by the team.
- Medium: there may be cause for concern that was mitigated to an acceptable extent by the team; some concerns remain.
- High: the team pass the necessary elements of verification although multiple concerns remain throughout the investigation.
- This certificate is only valid is sent from an authorized member of the CertiK team.
- The date indicated on this document is the date on which we have completed our KYC vetting process. This certificate is to act as a snapshot of the evidence available at the time.
- This certificate is not a guarantee that the information that a developer provides is truthful or complete, that such persons will not take any malicious actions, or that we can necessarily detect frauds perpetrated with sophisticated technologies. Instead, the report should be viewed as what it is: it is merely an indication that we have used commercially reasonable efforts to complete our KYC procedures set forth above on the date of the report.
- This certificate is not a guarantee of safety and is to act solely as a report of the investigations findings, reliance on this report is solely at your own risk. We are not responsible for investment loss and hereby expressly disclaim any liabilities that may arise from your use or reference of this report.
